## Kawasaki Robostage Opens 6 days from April

Since its opening in August 2016, more than 70,000 people have visited our robot showroom, "**Kawasaki Robostage**." To meet a number of requests, we have decided to open also on Thursday as from April. It is now open 6 days a week. The new opening days are as follows:

**13:00 – 18:00** on **Mon., Wed., Thu.,** and **Fri.**  
**10:00 – 18:00** on **Sat., Sun.,** and **national holiday**  
 (Closed on Tuesday if not a national holiday)

More info: <https://robotics.kawasaki.com/ja1/robostage/en.html>

**Admission Free**  
**No reservation needed**

Specially, the VR attraction, **Portrait Robot** and "**K-Roboride**" are enthusiastically attracting visitors. To date, 20,000 persons took their nice portrait back home. Another 21,000 persons enjoyed the VR flights of K-Roboride. Children from 7 to 13 years old can now get on board if their guardian approves.
